« This 2015 has a deep ruby colour and a bouquet that is both intense and elegant. Aromas of ripe fruit, forest undergrowth and oak combine for an attractive complexity.

Full-bodied and concentrated on the palate, the wine's maturity is already evident, and follows through the mid-palate to a smooth and powerful finish, the signature of a great vintage. The tannins, with an unusual persistence, give a sensation of fullness for a gracefully velvet finish. »
