## VINTAGE 2019

« With a beautiful deep color with purple hues, Château Anthonic 2019 opens up on the nose with a fruity and gourmet palette. Aromas of blueberry and cherry mingle with lightly toasted touches to give a bouquet of great complexity.

This beautiful presentation is confirmed on the palate by a full attack and a tannic structure that is both solid and deep.

It is a solar wine, full and greedy, in the image of this exceptional vintage. »
